

#30 YIN Support and #31 YANG Support

For Her:

**Support
for female
hormonal
function**

Take in combination
with NET Remedies®

#5 Fire

to provide a broader
scope of relief for
conditions related to
hormonal function.

For Him:

**Support for
male hormonal
function**

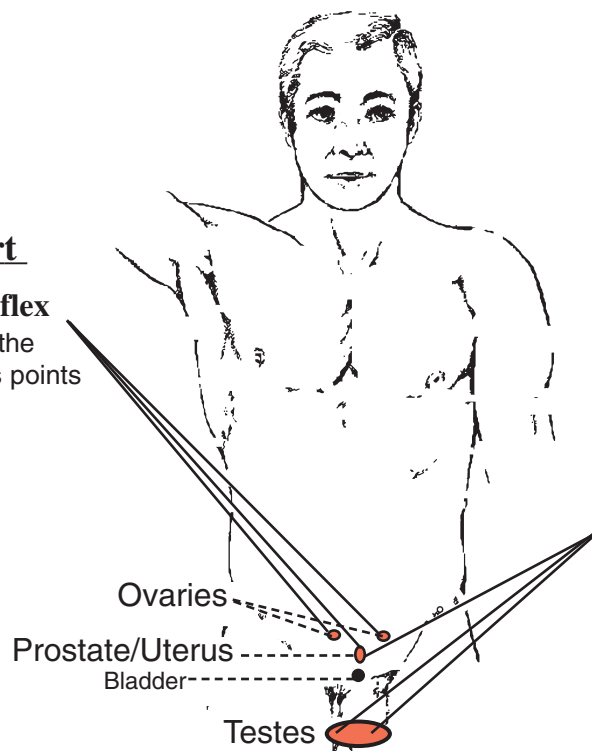

#30 YIN Support is specifically designed to support estrogen and female-related hormonal function. It can also offer extra support for metabolism issues, low energy, mood swings, lack of libido, sleep disorders, hormonal-related depression, monthly female discomfort, menopause transition and stress-related imbalances.

#31 YANG Support is specifically designed to support androgen and male-related hormonal function. It can also offer extra support for lethargy, reduced sexual desire, changes in muscle mass, decreased body strength, hormonal-related depression, increased body fat, loss of body hair, prostate and general stress conditions.

Test for YIN Support

To test the Estrogen Reflex

Make a 3-point contact on the bilateral ovaries and uterus points

Test for YANG Support

To test the Androgen Reflex

Have patient make a 3-point contact on his bilateral testes and thumb on his prostate

Call 800-888-4638 for Technical Support for these or any NET Remedies Product.
